

Libertas Mission Statement

- 1) We want the complete and utter cessation of vaccine/health passports, certificates of vaccination and immunity within UK domestic settings. No public or private sector organisation should be allowed to discriminate, on the basis of an individual being vaccinated or unvaccinated. Characteristics of discrimination include, harassment, victimisation of a person in service and public functions, work, education, associations and transport.**
- 2) We want each voluntary recipient of the vaccine, prior injection to be provided with information pertaining to the side effects and fatal consequences of which the vaccine could pose on them. Informed consent must be given and proved by both the recipient and vaccinator signing a consent form.**
- 3) No intervention of any element of force, fraud, deceit, duress, overreaching or other ulterior form of constraint or coercion should be used by the government or private body.**
- 4) The vaccination of children should not be implemented for COVID-19 whatsoever.**
- 5) The wearing of masks should be made voluntary in all settings .**
- 6) A call for an end to mass community screening by PCR and LFT.**
- 7) No more Lockdowns are implemented. There is no proven benefit to their enforcement in the suppression of the virus.**
- 8) Urgently roll out any proven alternative medicines for the COVID-19 disease as preventions and cures. Eg Ivermectin.**
- 9) Call for a public enquiry into the misattribution of COVID-19 deaths and data recording.**
- 10) We want the government to work in tandem and complete transparency with independent public health scientists of the great Barrington declaration, on seeking alternative treatments and actions in the suppression of the virus.**
- 11) We want the complete cessation of censorship within all forms of media, from dissenting or critical voices of the current scientific dogma being utilised. No alternative science from credible, qualified and respected scientists should be censored or impeded upon from public viewing or scrutiny. Freedom of speech must be maintained.**
